

## Year 1 Newsletter November 2018

Welcome back! We hope that you have all had a lovely half term break.

In Literacy we shall be writing simple recounts and looking at stories from other cultures. The children will bring home weekly spellings to learn each Friday for a test the following Thursday.

In Numeracy we will be beginning to add and subtract. We will learn to tell the time to o'clock and half past. We will have a go at counting in 2's and measuring capacities.

In RE the children will be thinking about why Christmas is such an important celebration for Christians and learn how they celebrate.

In PE we shall be working on our gymnastic skills, including jumping, rolling and balancing. We will continue to work on our dance skills.

Our PE days are Tuesdays and Thursdays; please make sure that your kit is always in school.

In ICT we will be writing programmes for floor robots and then using a simple coding programme. We will also be designing posters.

Our Christian value is Forgiveness.

We go to Lees library each Friday so remember your books!

Our topics are:

**Remember,  
Remember  
History/Art**

**Christmas and  
Celebrations**  
(Why is Christmas important  
to Christians?)  
RE/DT/ Business  
challenge

Thank you for your support.  
Mrs Gulla and Mrs Butt
