

# Year 4 Teaching & Learning

November—December 2018

Miss Bamber & Mrs Wilkinson

Our topics are:

High Voltage  
Science

Anglo Saxons  
History

Let there be  
light!

RE

British Values  
Mutual respect, tolerance  
and diversity

Christian Value:  
Forgiveness

## Literacy:

We will study a range of texts and genres within the topics including : diary entries, scientific reports and recounts.

We will look at methods to improve our sentences by giving the reader more information with improvements in our use of adjectives, adverbs and other grammar techniques.

## Maths:

We will be continuing to build on our maths knowledge by looking at a range of different BBs. The children are always practising telling the time and we encourage this to be done at home too. We will be continuing to focus on our times tables throughout this half term.

At St Thomas' Leesfield we value the link between home and school and we recognise parental support is vital to a child's progress and education.

Below are listed some of the ways you can help:

- Encourage your child to complete and return any homework on time, including our 9 Grid weekly homework.
- Discuss your child's learning and topic work and ask about their Always Badge.
- Your child will need his / her planner everyday so that we are able to keep in contact and it will be signed on the day stated in the planner or by the end of the week.
- Your child should wear PE kit to school on Mondays and Fridays.
- Use our website—[www.leesfield.oldham.sch.uk](http://www.leesfield.oldham.sch.uk) to find other links which can support your child's learning.

Thank you for your support and should you have any concerns or queries, please feel free to make an appointment to see me.

Miss Bamber
