

Year 4 Teaching & Learning

January—February 2019

Miss Bamber & Mrs Wilkinson

Our topics are:

Mamma Mia
Music

Values:

Our Christian value this term is PERSEVERANCE

Shang Dynasty
History

French Foods
MFL

Antarctica
Geography & Science

PE:

Our half term focus will be indoors and we will be looking at throwing and catching skills as well as gymnastics.

Literacy: We will study a range of texts and genres through the topics including diary entries through our Antarctica Topic. We will be focusing on our Oracy skills during this half term whilst preparing for our class assembly. We continue to encourage the children to write for an audience and include more information to help the reader envisage what they are trying to share.

Numeracy: We will look at fractions and their use in the real world as well as using them in calculations. We will be continuing to look at shape as well as time. The children will be working with using and applying problems and these will often be based about real life maths problems.

At St Thomas' Leesfield we value the link between home and school and we recognise parental support is vital to a child's progress and education.

Below are listed some of the ways you can help:

- Encourage your child to complete and return any homework on time, including our 9 Grid weekly homework.
- Discuss your child's learning and topic work and ask about their Always Badge.
- Your child will need his / her planner everyday so that we are able to keep in contact and it will be signed on the day stated in the planner.
- Your child should wear PE kit to school on Mondays and Fridays.
- Use our website—www.leesfield.oldham.sch.uk to find other links which can support your child's learning.

Thank you for your support and should you have any concerns or queries, please feel free to make an appointment to see me.
