

YEAR 6'S CLASS HOMEWORK GRID

We feel that at St Thomas' Leesfield School homework should develop the whole child. Homework does not always need to be work sheet based as 'work at home' can come in many guises. All nine areas should be fulfilled each week of the year. Tick off what you have done. Enjoy your homework and thank you parents for your support. Visit the school website for links to a variety of learning resources: <http://www.leesfield.oldham.sch.uk/>.

Year 6 may be asked to carry out research projects in different curriculum areas as well as producing creative pieces linked to our topic work. Booster has now begun and there will be formal literacy and numeracy homework tasks every week. These must be signed and timed to show that, as a parent, you are happy with the effort and standard produced by your child.

This Homework Grid **is also** 'The Homework' in Year 6 and it is vitally important to ensure that your child is a well-rounded, independent and individual learner. This needs to be completed weekly, signed and returned for checking every Friday.
