We feel that at St Thomas Leesfield School homework should develop the whole child.

Homework does not always need to be work sheet based as 'work at home' can come in many guises.

All nine areas should be fulfilled each week of the year. Tick off what you have done.

Try using some useful websites to help your child with their Literacy and Numeracy BBBs-go onto the school website www.leesfield.oldham.sch.uk and click on the Learning Zone and explore the Maths and Literacy activities.

Enjoy your homework and thank you parents for your support.
