

## **Reception Class Homework Grid – Spring Term 2 2019**

We feel that at St. Thomas Leesfield C of E Primary School, homework should develop the whole child. Homework does not always need to be work sheet based – ‘work at home’ can come in many different forms.

At least one of all nine areas should be fulfilled each week of the year. Your child will bring home a new grid every Friday. Please tick off or highlight what your child has done for the following Wednesday and hand in to your teacher via the book bag. Enjoy your homework Reception, and thank you parents for your continued support.
