

## Year 3 Weekly Homework Grid Summer Term 1 2019

*N.B. This is an example page from the Homework grid. Some weeks might have other homework ideas linked to that specific week.*

At St Thomas' Leesfield we feel that homework should benefit the whole child. Homework does not have to be worksheet based as 'work at home' can come in many guises. All nine areas of the grid should be fulfilled each week, at least one activity per area.

Please tick off/highlight what has been achieved and an adult from home must sign it each week ready for checking on the designated day.

Please try to enjoy any home learning and thank you parents for your support!
