Our younger children will be able to play actively and imaginatively with a variety of new opportunities for physical development, role play, messy and interactive play, exploration and discovery as well as for co-operation, communication and making friends.  The area will be used daily by the 60+ children in Rec/Y1 and also by lower achievers who attend targeted support sessions before school. It will

seeds; 2 easel tables with bench seats either side and one side chalk board and the other white board; an upright glockenspiel panel; 100 square metres of artificial grass with glued edging to go around the equipment.

This will create a sustainable learning environment with quality resources.

engage the least active children in regular physical activity in a fun way.

It will build self-esteem, confidence whilst giving the children a 'feel good' factor about themselves.

We will also invite our local pre-schools to attend workshops, open days and stay and play sessions. The children will be able to interact with our children and staff and it will make them aware of their possible new surroundings when they start Reception. This will promote a healthy active lifestyle from as soon as they start school!

A sustainable project that will meet the needs of our current children without compromising the needs of the future children.

<p><b>Family Sporting Activities with wider opportunities.</b></p>	<p>£1080</p>	<p>Saddleworth 3G pitch available weekly after school to provide fun sporting activities for pupils in all classes. Different activities will take place each term offered by school staff.</p> <p>As this is an all-weather pitch the after school activities arranged by staff will always take place which will show continuity and commitment.</p>	<p>The engagement off all pupils in regular physical activity. This will help kick-start a healthy active lifestyle for our younger children and because of the broader range of activities and sports on offer this will also engage our least active pupils.</p> <p>Number of children taking part will be added at the end of the programme which will prove true value added.</p>
<p><b>Whole school active days with Freddie Fit</b></p>	<p>£750</p>	<p>School is working with Freddie Fit to provide fun active days.</p>	<p>Whole school fun active days to encourage a life-long interest in health, physical well-being and sport.</p> <p>High energy exercise sessions for both boys and girls of all ages will help to inspire our children to build an enthusiasm for health and fitness.</p> <p>Additional sessions will be tailored for our SEN and less active children so that they get as much out of the sessions as all other children.</p> <p>Positive impact for 217 children.</p>

<p><b>'Awe and Wonder' – Whole School Experience</b></p>	<p>£2,100</p>	<p>Each class ensuring that a sport activity of their choice is provided for their class.</p> <p>E.g. - an orienteering day, visit to a sporting venue etc...</p>	<p>By arranging their own activity staff and children will gain increased knowledge and confidence in a sport of their choice.</p> <p>This will raise the profile of PE and sport across the school.</p> <p>Positive impact for 217 children.</p>
