

## Primary PE and Sport Premium - Key Indicators

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

In order to improve progress and achievement of all pupils, the focus is on upskilling the two TA staff to plan, deliver and assess/evaluate the Commando Joe missions/programmes of study (POS).	Baseline measures have been taken and these were re-assessed at the end of July 2020 to demonstrate progress.	Nil – cost already considered in Key Indicator 1	Improved subject knowledge and understanding for TAs. Increased confidence to take on a more active role in planning, delivering and assessing the Commando Joe missions. Focused assessment strategies to really pin point individual progress.	Resources for Commando Joe missions purchased from ELS grant. Sustainability is high if we can manage to keep the HR resource to plan, deliver and assess the programme and its positive impact on our children.
Additional to the above, one of the TA staff is also ensuring that other staff at school take on additional, extra-curricular sport activities to improve their own confidence, knowledge and skills	To identify key staff members that need to upskill themselves and improve their confidence to organise extra-curricular activities; Running, club, rounders, netball, football, dance etc.	Nil – voluntary contributions (hours) from staff – school expectations on employment	More extra- curricular clubs on offer for our children. More variety and different staff leading, organising and participating.	Sustainable as there is an expectation within our school.

<b>Key indicator 4: Broader experience of a range of sports and activities offered to all pupils</b>				Percentage of total allocation:

What has changed?:	Sustainability and suggested next steps:
To increase the profile of PE and sport in school. There are three planned whole school taster days – one per term. These are not traditional activities – more awe and wonder. The focus is to capture the enthusiasm and interest of children who do not routinely enjoy or are interested in PE or traditional sports. Maybe a sport such as karate, dance, gymnastics etc.	Lead TAs to plan, organise and arrange 3 activities outside the usual sports done in school. They must be timetabled to ensure smooth running in order that all children from Reception to Y6 are actively engaged.  Whole school dance day by ACL Performing Arts.  Whole school Freddy Fit active day.	Allocated - £1,500 (£500 x 3 terms)  Costs:  £165  £850  <b>Total - £1,015</b>	All children active and having fun. Questionnaire results and analysis to ascertain what our children have enjoyed, gained and learned from these unique experiences.  Children learn and enjoy a new skill. They have the opportunity to continue to carry on with this new skill outside of school.  Children enjoy a novel experience of keep fit/sort. They spent the day learning all about keeping healthy through exercise whilst having fun.  <i>COVID restrictions meant that over 1 term this was unable to be carried out.</i>	If Sports premium funding continues, awe and wonder initiative continues.
