

Primary PE and Sport Premium - Key Indicators

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer. There are 5 key indicators that schools should expect to see improvement across:

1. The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport
4. Broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Key achievements to date until July 2021:	Areas for further improvement and baseline evidence of need:
<ul style="list-style-type: none"> • Increased staff confidence in teaching PE • Successful continuation of Commando Joe • Pupils engagement and enjoyment within PE lessons has increased • Introducing a wider range of personal challenges for staff and pupils • Being an active part of the Dovestone Learning Partnership working together in sporting activities and leagues • Provide opportunities for all children to access 45 active minutes outside of PE lessons • Provide increased opportunities for all pupils to take part in competitive sport 	<ul style="list-style-type: none"> • Increase range of extra-curricular PE clubs on offer to all pupils from Rec – Y6 • The engagement of all pupils in regular physical activity- kick-starting healthy active lifestyles • The profile of PE and sport being raised across the school as a tool for whole school improvement
<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>NB percentages lower than expected as the children (current Y6 2021-2022) could not attend lessons in school time in 2020 due to Covid-19 Lockdowns and also 2021. The swimming baths were closed. This cohort 'should' have gone swimming weekly when they were in Y4. Our current Y4 children (class of 2021-2022) attended weekly swimming lessons on Mondays from February half-term 2022 together with Y6 children that had not completed the required standard.</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p>	<p>43% - 29 children</p> <p><i>Children (current Y6 2021-2022) didn't attend swimming lessons during Covid restrictions when they were in Y4 and Y5.</i></p>
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	<p>55% - 29 children</p> <p><i>Children didn't attend swimming lessons during Covid restrictions (as above). Concentrated on length achievement rather than varied strokes.</i></p>
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	<p>83% - 29 children</p> <p><i>Children (current Y6 2021-2022) didn't attend swimming lessons during Covid restrictions when they were in Y4 and Y5.</i></p>

Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	No

Action Plan and Budget Tracking

Capture your intended annual spend against the 5 key indicators. Clarify the success criteria and evidence of impact that you intend to measure to evaluate for pupils today and for the future.

Academic Year: 2021-2022		Total fund allocated: £17,750		Date Updated: August 2022	
Key indicator 1: The engagement of all pupils in regular physical activity – Chief Medical Officer guidelines recommend that primary school pupils undertake at least 30 minutes of physical activity a day in school					Percentage of total allocation: 107%

In order to improve progress and achievement of all pupils, the focus is on upskilling class teachers (Y1-Y6) to deliver and assess/evaluate the Commando Joe missions/programmes of study (POS) for one half-term in the academic year 2021-2022.	Staff training by experience TA (previously taught the PoS) so that Baseline measures can be taken and these can then be re-assessed at the end of the half-term of indoor PE to demonstrate progress	£1700 – cost of annual subscription of CJ PoS	Improved subject knowledge and understanding for teachers. Increased confidence to take on a more active role in planning, delivering and assessing the Commando Joe missions. Focused assessment strategies to really pin point individual progress. See teacher planning and assessment linked to CJ missions; topic books (children’s learning and self-assessments).	Resources for Commando Joe missions purchased from ELS grant. Sustainability is high if we can manage to keep the HR resource to plan, deliver and assess the programme and its positive impact on our children.
Additional to the above, one of the TA staff is also ensuring that other staff at school take on additional, extra-curricular sport activities to improve their own confidence, knowledge and skills	To identify key staff members that need to upskill themselves and improve their confidence to organise extra-curricular activities; Running, club, rounders, netball, football, dance etc.	Nil – voluntary contributions (hours) from staff – school expectations on employment. Total Spend = £1,700.00	More and varied extra- curricular clubs on offer for our children and for all age ranges. Different staff leading, organising and participating. See registers for attendees and talk with children about their experiences and participation.	Sustainable as there is an expectation within our school.

Key indicator 4: Broader experience of a range of sports and activities offered to all pupils				Percentage of total allocation: 6%
Intent	Implementation		Impact	
Your school focus should be clear what you want the pupils to know and be able to do and about what they need to learn and to consolidate through practice:	Make sure your actions to achieve are linked to your intentions:	Funding costs:	Evidence of impact: what do pupils now know and what can they now do? What has changed?:	Sustainability and suggested next steps:
To increase the profile of PE and sport in school. There are three planned whole school taster days – one per term. These are not traditional activities – more awe and wonder. The focus is to capture the enthusiasm and interest of children who do not routinely enjoy or are interested in PE or traditional sports. Maybe a sport such as golf, basketball, dance, gymnastics etc.	PE Subject Leader to plan, organise and arrange 3 activities outside the usual sports done in school. They must be timetabled to ensure smooth running in order that all children from Reception to Y6 are actively engaged. Whole school Tri-Golf day – Autumn Term 2021 A further two whole school taster days to be confirmed in the Spring and Summer Terms 2022	Allocated - £1,500 (£500 x 3 terms) Costs: £250 £1000 Total Spend = £1,500.00	All children active and having fun. Questionnaire results and analysis to ascertain what our children have enjoyed, gained and learned from these unique experiences. Children learn and enjoy a new skill. They have the opportunity to continue to carry on with this new skill outside of school. Golf professional from Saddleworth used and identified talented children and sign-posted to his own and other local clubs eg Oldham Golf Club. PE taster days were Karate, Tri-Golf and Football skills (Latics). All children had the opportunity to take part at differentiated levels depending on age range. Children really enjoyed these additional sessions and had lots of fun – see topic books, PE Subject Leader file/evidence (CL).	If Sports premium funding continues, awe and wonder initiative can also remain.

Key indicator 5: Increased participation in competitive sport				Percentage of total allocation:
