Wonderful Me

Science & History

Christian Value:

Thankfulness

## Literacy:

During this half term we will have a weekly story, linked to topic, to focus on for our literacy learning. We will be practising writing sentences and being able to use capital letters and full stops. Alongside this we will be looking at retelling familiar stories we know and using our imaginations. Please help support your child with their learning by ensuring they are confident with writing their first and last names.

## Maths:

We will be concentrating this half term on place value and addition and subtraction, both within 20 and beyond. The children will have access to a range of maths concepts both in the classroom and during continuous provision.

At St Thomas' Leesfield we value the link between home and school and we recognise parental support is vital to a child's progress and education.

Below are listed some of the ways you can help:

- Encourage your child to complete and return any homework on time, including our 9 Grid weekly homework.
- Discuss your child's learning and topic work and ask about their Always Badge.
- Your child will need his / her planner everyday so that we are able to keep in contact and it will be signed every Friday alongside their homework grid.
- Your child should always come to school on a FRIDAY in their PE kit. Please send in a pair of pumps for your child to be kept in school and make sure these are all labelled.
- Please make sure all of your child's belongings are labelled with their name.
- Use our website—[www.leesfield.oldham.sch.uk](http://www.leesfield.oldham.sch.uk) to find other links which can support your child's learning.

Thank you for your support and should you have any concerns or queries, please feel free to contact me.
