Statement of intent

At St Thomas' C of E Primary School, we understand the need to continually deliver high quality education, including during periods of home learning – whether for an individual pupil or many. We recognise the importance of maintaining high expectations in all areas of school life and ensuring that all pupils have access to the learning resources and support they need to succeed.

This policy aims to:

- Minimise the disruption to pupils' education and the delivery of the curriculum.
- Ensure provision is in place so that all pupils have access to high quality learning resources.
- Protect pupils from the risks associated with using devices connected to the internet.
- Ensure staff, parent, and pupil data remains secure and is not lost or misused.
- Ensure robust safeguarding measures continue to be in effect during the period of home learning.
- Ensure all pupils have the provision they need to complete their work to the best of their ability, and to remain happy, healthy, and supported during periods of home learning.

Home Learning During the Coronavirus (COVID-19) Pandemic

Within the ever-changing circumstances we are currently living through, we have to be prepared for local lockdowns. In the event of a local lockdown, the school will implement provision for home learning, so pupils never miss out on education. We will ensure that our curriculum is inclusive and accessible to all. This policy annex outlines how we will deliver home education during the pandemic.

1. Contingency planning

- 1.1 The school will open to all pupils at the start of the Autumn term 2020, in line with national and local guidance.

- 1.3 The school will work closely with the local health protection team (and Public Health England) when entering into a local lockdown and implement the provisions set within their contingency plan.
- 1.4 The school will communicate its plan for a local lockdown with parents, including whether it will remain open to vulnerable pupils and children of critical workers, or if home working will be applicable for all.
- 1.5 If there **is not** a local lockdown, but a single class or 'bubble' needs to self-isolate, the school will implement home learning immediately for that group.

2. Teaching and learning

- 2.1 All pupils will have access to high quality education when home working.
- 2.2 The school will use a range of teaching methods to cater for all different learning styles, this includes:

- Enable a planned, coherent and well-sequenced curriculum which allows skills to be built incrementally.
- Provide frequent, clear explanations of new content through high quality curriculum resources, including through educational videos.

- Adjust the pace or difficulty of what is being taught in response to questions or assessments, including, where necessary, revising material or simplifying explanations to ensure pupils' understanding.

2.5 All provisions for home learning will be subject to the class group's age and ability.

3. Returning to school

- 3.1 The Headteacher will work with the LA to ensure pupils only return to school when it is safe for them to do so.
