

Dear parent/guardian,

Progress Update for Parents – Autumn 2022

In the Autumn Term, our progress meetings will take place, face-to-face, in our school hall for Reception to Y6 children. The time slots will be 10 minutes per child which will be based around: settling in and progress in the Autumn Term, attitude to learning, attendance, core and foundation subject updates and areas for personal development.

Please indicate a time slot that you prefer below. You will then be allocated a specific slot and this will be put into your child's planner.

If you are unable to attend any of the slots, please contact your child's teacher, via a note in the planner, requesting an alternative day for a progress update. Additionally, if you attend review meetings with Mrs Schofield, you do not require an appointment, however you may wish to pop in to look through your child's books and see their wonderful learning.
